

Ascent Academies 2022-2023 School LAND Trust Plans Summary

West Jordan Campus

approximately \$104,106 allocated for the 2022-2023 school year. The committee voted to use the funds for the following:

- purchase of technology, including: a new Chromebook cart and 2 new iPad carts
- purchase BrainPop as a supplementary learning program
- provide funds to teachers for teacher-selected training and professional development, curricular materials, and experiences for students (science, math, reading)
- purchase behavior and culture incentives and rewards for students as needed
- purchase Playworks to support recess behaviors.

These purchases support the goals for 2022-2023 to increase math, language arts & science proficiency in students.
