

Frequently Asked Questions

Q: What is a lottery?

Since the number of applicants exceeds the established ceiling, students are selected by lottery. When a student is chosen, siblings of the applicant (within the same household) are also invited for admission, provided there are openings into requested grades. Enrolled students are given preference for re-enrollment. Siblings of admitted students are given preference relative to other applicants.

Q: What is the timeline of enrollment?

- LPA is accepting applications for Fall 23/24 school year.
- The lottery begins on November 30, 2022.
- The lottery will run for the first time on January 23, 2023.
- LPA's current school year lottery does not close. We accept lottery applications throughout the current school year and will enroll students based on student enrollment in each specific grade.

Q: What is my child's acceptance based on?

Acceptance is based on the number of applicants, the number of spots available, sibling priority, and your random lottery number.

Q: Does Legacy charge tuition?

No, Legacy is a FREE public charter school and does not charge tuition to attend.

Q: How do I enter my child or children in the lottery?

Lottery numbers are assigned randomly, one time per year. For more lottery information visit the Prospective Families tab on our website, LegacyPrep.org.

Q: How long is the waitlist?

Each grade has its own waitlist and can vary depending on the number of open seats for the grade.

Q: When will I be notified of an open position?

Parents or guardians will be notified by email on or after January 23, 2022. Subsequent lotteries will be run throughout the year, as needed.

Q: How do I transfer my child to your school?

Typically, you need to let your child's current school know you're changing schools. (You may ask the principal or front office staff for the appropriate form.) You may also ask LPA to request the documents from your previous school.

Q: What documents are required for our child(ren) to attend LPA?

- Online enrollment must be completed in [Aspire](#).
- Original birth certificate or passport (office must verify and make a copy.)
- Due within five days or earlier, after confirming your child's attendance.
- Current Immunization record, or a state recognized exemption form.
- Due before school begins, most people bring these with the birth certificate.
- Vision screening performed within the last year (for Kindergarten students only)

Q: After school has started, how long will it take to enroll my child? How long after enrollment will they begin at LPA?

Once you have turned in all required documents, and have registered the parents and child(ren) in [Aspire](#), your child may be enrolled. Students can begin attending after enrollment.
