

## ENROLLMENT POLICY

Bonneville Academy is committed to providing fair and open access to enrollment opportunities for all eligible students in accordance with Utah law and Utah State Board of Education (USBE) rules governing charter school admissions.

### Open Enrollment

Enrollment is open to any student who resides within the state of Utah. Admission, when space is available, shall be offered without regard to race, creed, color, religion, national origin, gender, sexual orientation, age, disability, or academic ability.

### Lottery Process

All new student admissions at Bonneville Academy are determined through a lottery process, conducted in compliance with USBE Rule R277-472. The lottery is randomized, transparent, and held annually to fill available seats. No admissions are made outside of this process.

### Enrollment Priorities

In accordance with Utah Code §53G-5-302, the school may give enrollment preference to:

- Children or grandchildren of founding members or school employees (up to 15% of total enrollment)
- Siblings of students currently enrolled at Bonneville Academy

### Application Deadlines

The application window for new students will be announced annually and will remain open for a designated period prior to the lottery. All applications received during the open window will be entered into the lottery. Families offered admission will be given a specified amount of time to accept or decline the offer, typically within two weeks. Applicants selected from the waitlist must respond within three business days of notification.

### Continuing Enrollment

Students currently enrolled at Bonneville Academy do not need to reapply annually. Their enrollment will continue automatically unless formally withdrawn by the parent or guardian.

### Waitlist

If capacity is full in any grade level, students will be placed on a waitlist based on their original lottery draw position. The waitlist does not carry over from year to year. Families must reapply annually to be considered for the following school year.
