

Reminder: Annual Application Required for Free & Reduced-Price Meals

Dear Parents and Guardians,

Even if your student qualified for free or reduced-price meals in the past, a new application must be submitted each school year to continue receiving benefits.

Applications for the 2025-2026 school year are now open and will be available online. Please visit:

www.northdavisprep.org Lunch Tab

There you will find the application available in both English and Spanish.

Please remember: Parents are responsible for any meal charges that occur before an approved application is on file. Submitting your application promptly helps avoid unnecessary fees.

If you think you might qualify, we strongly encourage you to apply. You can apply or reapply at any time during the school year if your financial situation or family size changes.

Thank you for helping us support student wellness and nutrition!

Sincerely,

LaRetta Foxley
