

Wasatch Charter School

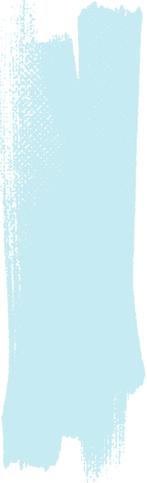

is launching a Homeschool Pilot Program

Enrollment is now open!

(on first come, first served basis until full or September 26, 2025.)

Limited spots are available in the **2025-26 school year** for families of **Kindergarten and First Grade students**. Be a part of a supportive and nurturing community while homeschooling your child. **Excellent resources and support for children and families** from trained and experienced Waldorf teachers.

Program includes:

- 
- In-person instruction for students two mornings a week
 - In-person weekly guidance and support for parents in a community with other homeschooling families
 - Weekly curriculum guides for parents with activities, music, and assignments for students
 - Online supplemental videos and resources
 - Support and resources for individual student needs
 - Access to a robust Waldorf community, including participation in festivals and events throughout the year

To enroll visit: <https://www.wasatchwaldorf.org/enroll-now> and complete the online application.

Please also send an email with your intent to enroll (**Name, child's name and grade**) to: homeschool@wasatchwaldorf.org
