Effective Dates: July 1, 2025 – June 30, 2026

Assurances: This agreement is intended to provide a seamless pathway for high school students to enroll at the designated technical college. The technical college will accept the transfer of designated high school courses represented in this agreement if the student is enrolled in a program, provides the technical college faculty member with a high school report card or transcript, and one or more of the following conditions are met:

- 1 = A grade of "B" or better
- 2 = Successful completion of an equivalent State Skill Certification
- 3 = Successful completion of the same version of professional industry exam represented in a course
- 4 = Demonstration of competency as designated by receiving instructor which may lead to full or partial credit of course work and/or
- 5 = Course has been taken within last two years

Notes:

- This is a regional agreement. Some high school classes may not be available in a particular school. High school counselors can provide information regarding specific program offerings.
- Program requirements from either partner may change without notice.
