Fall Break Next Week!

We would like to remind families that next Thursday and Friday there will be no school for Fall Break.

Also, Wednesday marks the end of the term. We encourage students and parents to collaborate with teachers to review and complete any missing assignments before the term ends.

AROUND THE FRONT OF THE SCHOOL
AND AROUND THE PARKING LOT.**

**NO AFTER
SCHOOL
PROGRAM**

OCTOBER 15th - 16th

Donations for After School Program

After School Program Snack Donations Needed!

Our after school program currently serves approximately 40 students, and while we do provide snacks, we are running out more quickly than usual. We strive to offer a variety, but it can be challenging to have snacks that every student enjoys.

To help ensure all students have something they like, we encourage parents to send their students with personal or preferred snacks. If you would like to donate snacks for the after school program, please drop them off at the front office and clearly label them for the after school program.

Thank you for helping us keep our after school program fun and well-supplied for all students!

Safe Routes Assembly

On Monday, we had our Safe Routes Utah assembly for our elementary students. It was a great event where students learned about safety while crossing the road and riding their bikes. They also received some fun swag, including pencils and bracelets. During the assembly, students were able to participate in activities and ask questions about street safety.

Grades Kindergarten, 1st, 3rd, 5th, and 7th will receive vision screenings. If your student is not listed and you would like them to be tested, please call the front office or email info@bonnevilleacademy.org. You have until October 27th to sign up. An opt-out form is included; to opt out, fill it out and return it or email it to the school.

Dear Parent/Guardian,

Your student's school will soon be conducting vision screenings in accordance with the Utah School Vision Screening Policy. Friends for Sight is a local nonprofit organization that specializes in vision screening, and FFS staff and volunteers will be on hand to assist with the process.

For the most accurate results, if your student wears prescription glasses or contacts, please have them wear them on the day of the screening. Screenings are intended to find out if the student has the tools they need to see clearly at school, so it's ideal to test the student's best possible corrected vision.

If your child cannot see at the appropriate distance for their age, or fails a SPOT machine screening, a referral form will be sent home with your child. This sheet will recommend that a full eye exam for your child should be a priority. Please remember that a vision screening is not a substitute for a complete eye exam and vision evaluation by an eye doctor.

Since no child should be denied proper eye care because of finances, Friends for Sight has several partnerships that provide free eye exams and glasses for those who qualify for financial assistance.

If you have any questions regarding vision screening, ages when full exams are recommended or would like any additional information, please call us at (801) 524-2020 or visit our website www.friendsforsight.org.

As a non-profit that relies on donations to fund our free screenings, please consider donating \$2 to Friends for Sight when you renew your driver license or vehicle registration.

We are looking forward to screening your child at school!

Sincerely,

Friends for Sight Staff and Volunteers

Los grados Kindergarten, 1°, 3°, 5° y 7° recibirán exámenes de la vista. Si desea que su estudiante participe y no está en estos grados, llame a la oficina o envíe un correo a info@bonnevilleacademy.org antes del 27 de octubre. Si no desea que su estudiante participe, complete el formulario de exclusión y entréguelo o envíelo por correo electrónico a la escuela.

Queridos Padres o Guardianes de familia,

La escuela de su estudiante pronto comenzará hacer las pruebas rápidas mandatorias por el código the Utah School Vision Screening Policy. Friends For Sights es una organización local sin fines de lucro que se especializa en realizar pruebas rápidas de visión, los empleados y voluntarios estarán asistiendo mano a mano con todo el proceso.

Para nosotros poder obtener los mejores resultados en las pruebas visuales es necesario que si su estudiante usa anteojos o contactos recetados los traigan puestos el día de la prueba rápida. Esto es crucial ya que cuando nosotros hacemos la prueba rápida es para descartar con seguridad a los estudiantes que realmente necesitan ayuda para poder ver, lo cual es una herramienta muy importante en la educación de su estudiante.

Si en dado caso su estudiante no puede ver la distancia apropiada para su edad, o no pasa la prueba con nuestra máquina llamada SPOT, Una carta de referencia será mandada a casa con su estudiante. Esta carta recomienda con urgencia que su Hijo/Hija necesita una Examen Completo de la Vista con un Oculista lo más antes posible. Favor de tener en cuenta que esta prueba rápida no sustituye ni es un Examen Completo hecho por un Oculista profesional.

La prueba rápida administrada por Voluntarios y Empleados es solo diseñada para descartar y encontrar a los estudiantes que tienen problemas para ver y necesitan ser referidos con un Oculista. Ya que a ningún niño se le debe negar el acceso a un buen cuidado visual basado en su estado financiero. Friends for Sight tiene varias asociaciones que se dedican a proveer Exámenes Visuales y Anteojos completamente gratis para aquellos que califiquen para asistencia financiera.

Si usted tiene cualquier duda o pregunta acerca de las pruebas visuales, a que edad se recomienda hacer un Examen visual completo o necesita alguna información adicional, Favor de contactarnos al (801) 524-2020 o visítenos en nuestra pagina web www.friendsforsight.org.

Ya que somos una organización que provee estos servicios por donaciones, cuando visite el DMV para renovar su licencia de conducir no se le olvide apoyarnos donando \$2 a Friends for sight. Se lo agradeceremos de todo corazón.

¡Esperamos verlos pronto!

**Sinceramente,
Friends for Sight**

VISION SCREENING OPT-OUT FORM

As allowed in UCA 53G-9-404 (2019) a parent may opt their student out of vision screening.		
Student name:	DOB:	School Year:
School:	Grade:	Teacher:
Parent to Complete		
<p>As parent of the above named student, I do not wish for my student to have a vision screening during this school year. I understand that I may change my mind at any time and will do so in writing.</p> <p>I understand that this request is for the current school year only. This form may be re-submitted each school year.</p>		
Parent/Guardian Name:		
Parent/Guardian Signature:	Date:	

Donations for Annual Halloween Parade

We are excited to begin preparations for our annual Halloween Parade! 🎃 At the end of the parade, students will receive a special treat, and we need your help to make this possible.

We are planning to make approximately 250 goody bags for our students and are asking for donations of peanut-free candy or small party favors (examples: squishies, sticky hands, spider rings, or other small toys).

To help us stay organized, please sign up using the link below:

[Halloween Parade Donation Link](#)

 All donations must be brought in by Wednesday, October 15th.

Thank you for helping us keep this tradition fun and safe for all students! ❤️🕷️💙

Support Our Students' Lunches

We are excited to announce our School Lunch Donation Account!

You are not required to donate, but this account will be used to help pay for student lunch balances, including those who are in the negative. Any contributions will go directly toward supporting our students' meals.

You can make a donation online

[**Lunch Donation Link**](#)

When donating online, please enter the following information:

- 
- First Name on Account: **Meal**
 - Last Name on Account: **Donations**
 - Student Number: **F307**

If you prefer, you may also donate by cash or check at the front office—just let us know it is specifically for the lunch donation account.

Thank you for supporting our students!
