Halloween Parade Success!

Our Halloween parade was a great success! Students, staff, and families all joined in the fun as we celebrated with creative costumes and festive spirit. This year, we were also able to provide a goody bag and a book for every elementary student. We hope this is a tradition we can continue in the future! This was all made possible thanks to the generous donations from our amazing parents we truly appreciate such dedicated support. Stay tuned for next week's newsletter, where we will share pictures from this wonderful event!

Great Salt Lake 4th Grade Field Trip

Our first field trip of the school year was a great success! Fourth grade students had the opportunity to take part in a Utah tradition visiting the Great Salt Lake. The students had a great time learning about the lake's history, geography, and land formations. They also learned about the three rivers that flow into the lake and the many kinds of birds that migrate there. It was a fun and educational experience that helped our students better understand this important part of Utah's natural landscape.

Donations for After School Program

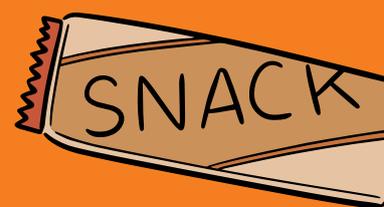

After School Program Snack Donations Needed!

Our after school program currently serves approximately 40 students, and while we do provide snacks, we are running out more quickly than usual. We strive to offer a variety, but it can be challenging to have snacks that every student enjoys.

To help ensure all students have something they like, we encourage parents to send their students with personal or preferred snacks. If you would like to donate snacks for the after school program, please drop them off at the front office and clearly label them for the after school program.

Thank you for helping us keep our after school program fun and well-supplied for all students!
