# Student's of the Month

This month, we celebrated students who exemplify R for Resilient. These students show determination, perseverance, and a positive attitude even when faced with challenges. We are so proud of their hard work and the way they keep trying, no matter what obstacles come their way. Keep up the great work!

# Halloween Coloring Contest

We're excited to announce our Halloween Coloring Contest winners! All students who participated received a cookie as a sweet treat. Thank you to all our students for sharing their creativity we loved seeing your colorful designs! We look forward to continuing these fun coloring contests in the future.

# Donations for After School Program

After School Program Snack Donations Needed!

Our after school program currently serves approximately 40 students, and while we do provide snacks, we are running out more quickly than usual. We strive to offer a variety, but it can be challenging to have snacks that every student enjoys.

To help ensure all students have something they like, we encourage parents to send their students with personal or preferred snacks. If you would like to donate snacks for the after school program, please drop them off at the front office and clearly label them for the after school program.

Thank you for helping us keep our after school program fun and well-supplied for all students!

# Halloween Parade

Our Halloween Parade was a great success! All participating students received a book and a candy bag — we're so glad we were able to share these treats with them. While our elementary students enjoyed the parade, our middle school students celebrated with a Halloween dance and costume contest. They had a great time showing off their creative costumes!

Any extra books were given to our K–2nd grade teachers, and we hope they'll enjoy using these stories in their classrooms in the future.

Look at the following pages for pictures from the parade!
