Volleyball Club Has Begun!

This week, we kicked off our Volleyball Club, which will run every Tuesday from 3:00–4:00 p.m. Students will learn the basic principles of volleyball, build teamwork skills, and enjoy a fun and active after-school activity. This club is for 6th–8th grade students . We are excited to continue offering this club for many years, as our middle school will remain in place for the foreseeable future. We also plan to open two additional clubs soon more details will be announced shortly!

Veterans Day Display

We want to extend a sincere thank you to everyone who shared pictures of their loved ones for our Veterans Display. Our Life Leaders put so much care into creating it, and it truly means a lot to see your family members honored in this way.

The display will remain up through the end of December, right by our cafeteria, so all of our students can take a moment to pause, learn, and appreciate the sacrifices made by these incredible individuals. For our students who have family members featured, we hope it brings a sense of pride each time they see them.

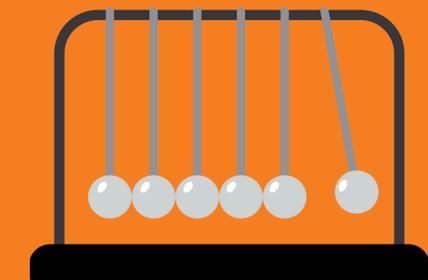

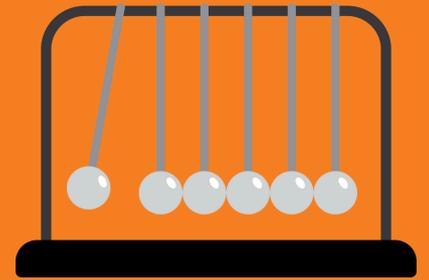

Thank you to every family who contributed, and a heartfelt thank you to our military families for your service and sacrifice. Your dedication does not go unnoticed.

Newton's Cradle

Today, our 8th-grade middle school students presented their Newton's Cradle project to our 3rd- and 4th-grade classes. This impressive large-scale model was fully engineered and built by the students themselves. They first created smaller individual versions, then applied what they learned to design and construct the bigger model.

Our younger students loved seeing the project in action, and it was a great example of creativity, teamwork, and hands-on learning in STEM!

Donations for After School Program

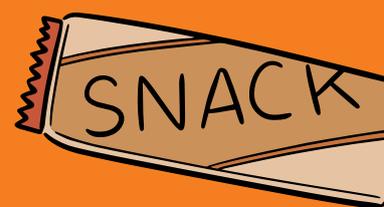

After School Program Snack Donations Needed!

Our after school program currently serves approximately 40 students, and while we do provide snacks, we are running out more quickly than usual. We strive to offer a variety, but it can be challenging to have snacks that every student enjoys.

To help ensure all students have something they like, we encourage parents to send their students with personal or preferred snacks. If you would like to donate snacks for the after school program, please drop them off at the front office and clearly label them for the after school program.

Thank you for helping us keep our after school program fun and well-supplied for all students!

Support Our Students' Lunches

We are excited to announce our School Lunch Donation Account!

You are not required to donate, but this account will be used to help pay for student lunch balances, including those who are in the negative. Any contributions will go directly toward supporting our students' meals.

You can make a donation online

[**Lunch Donation Link**](#)

When donating online, please enter the following information:

- 
- First Name on Account: **Meal**
 - Last Name on Account: **Donations**
 - Student Number: **F307**

If you prefer, you may also donate by cash or check at the front office—just let us know it is specifically for the lunch donation account.

Thank you for supporting our students!
