Hello Bonneville Academy families!

My name is Kendra Parry and I'm the Box Tops for Education Coordinator for our school.

Teachers and students need our support, and Box Tops is a fast and easy way for you to help. **How it works is simple:** when you buy one of the 350+ participating products, you can earn on items you're already buying. Just scan or submit your receipt in the Box Tops app or shop with your Walmart connected account, and you'll earn money for our school.

Our goal is to earn **\$500** through Box Tops this year. Every purchase really adds up!

Here are more details about how you can help us reach our goal:

- 1 Buy Box Tops products,** then scan or submit your receipt in the Box Tops app within 14 days of purchase.
- 2 Refer friends and family to the program.** You'll get Bonus Box Tops for our school with each referral when the person you refer scans their first receipt within 14 days of purchase.
- 3 Turn on notifications in the Box Tops app** to get scan reminders and stay updated on special offers, new products and opportunities to earn for our school. To turn on notifications, open the Box tops app and go to "Communications Settings" by tapping on the person icon in the upper-right corner.

Let's work together to give our students what they need to succeed!
Little by little, we can make a big difference.

Thank you for your support,

Kendra Parry

Donations for After School Program

After School Program Snack Donations Needed!

Our after school program currently serves approximately 40 students, and while we do provide snacks, we are running out more quickly than usual. We strive to offer a variety, but it can be challenging to have snacks that every student enjoys.

To help ensure all students have something they like, we encourage parents to send their students with personal or preferred snacks. If you would like to donate snacks for the after school program, please drop them off at the front office and clearly label them for the after school program.

Thank you for helping us keep our after school program fun and well-supplied for all students!
