# Student's of the Month

This month, our Students of the Month were selected for demonstrating a welcoming attitude. These students consistently show kindness, include others, and help create a positive and supportive school environment. We are proud of their efforts to make everyone feel valued and welcome. Congratulations to our Students of the Month!

# Holiday Program

Hello Bonneville Academy Families,

Our holiday programs have been absolutely amazing!

We are excited to share that the 5th and 6th grade holiday program videos are now posted on our website and can be found under the Newsletter section.

We are currently working on getting the remaining videos put together and plan to have them posted next week. We will notify families once they are available.

At this time, we are still waiting on some photo consents, so for now we have attached photos from our 2nd–Kindergarten programs.

Thank you for your patience and support, and we hope you enjoy these photos in the meantime!

Our goal is to earn **\$500** through Box Tops this year. Every purchase really adds up!

Here are more details about how you can help us reach our goal:

- 3 Turn on notifications in the Box Tops app** to get scan reminders and stay updated on special offers, new products and opportunities to earn for our school. To turn on notifications, open the Box tops app and go to "Communications Settings" by tapping on the person icon in the upper-right corner.

# Donations for After School Program

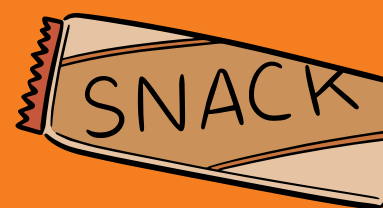

After School Program Snack Donations Needed!

Our after school program currently serves approximately 40 students, and while we do provide snacks, we are running out more quickly than usual. We strive to offer a variety, but it can be challenging to have snacks that every student enjoys.

To help ensure all students have something they like, we encourage parents to send their students with personal or preferred snacks. If you would like to donate snacks for the after school program, please drop them off at the front office and clearly label them for the after school program.

Thank you for helping us keep our after school program fun and well-supplied for all students!
