“ Director’s Message-

Welcome Back, Voyagers!

We’re thrilled to welcome both familiar faces and new families to another incredible year at Odyssey! Whether you're returning or joining us for the first time, you’re now part of a community that values learning, character, and connection. Our halls are filled with anticipation, fresh school supplies, and the energy of teachers and staff getting ready to greet our students. Some people attribute the following statement to Aristotle: "Educating the mind without educating the heart is no education at all." At Odyssey, we aim to nurture not only knowledge but wisdom and virtue in every student. We can’t wait to partner with you for a year full of discovery, friendship, and meaningful learning. Here's to an amazing new voyage together!
