

Extra-Curricular Program Policy

Students who register for an extracurricular program may only be permitted on campus during after-school hours. Siblings and carpool “buddies” WILL NOT be allowed in the school. Please make the necessary arrangements for your student and carpool.

Please, be sure that your student is picked up from their extracurricular program promptly. Students cannot be left unattended once after-school programs have been dismissed. It is each parent’s responsibility to ensure that their student is picked up on time.

Please ensure that your student is picked up promptly at the conclusion of their extracurricular after-school activities. Once programs have ended, students may not remain on campus unsupervised.

It is each parent’s responsibility to arrange timely transportation. Any student who remains on campus after 4:15 p.m. (2:45 p.m. on Wednesdays) and whose parent or guardian cannot be reached—or is unable to arrive within a reasonable timeframe—may be referred to local authorities for their safety.

Thank you for your cooperation in keeping all students safe.
