Audio/Video Checks

Your test uses multi-media features. Please perform the following checks before continuing.

 + Text-to-Speech

Audio/Video Checks

Complete the audio and visual checks before continuing. A check mark will appear after each check is confirmed. If the voice is not audible or clear, adjust the settings using the sliders and click the speaker icon again. If you still cannot hear the voice clearly, click the 'I did not hear the sound' and raise your hand. Once you complete the audio/video checks, the Instructions and Help page will appear.

You can review this page to understand what test resources/tools are available and how to navigate through the test.

Click play and then scroll down after listening.

Text-to-Speech Sound Check

Back

Make sure text-to-speech is working.

Click here

Press the speaker button. You should hear a voice speak the following sentence: "This text is being read aloud."
