

SCHOOL MEDICATION AUTHORIZATION

Walden K-12 | January 2026

Versión en español a continuación

Dear Walden Families,

If your student needs to take any prescribed medication at school, please print and complete the *School Medication Authorization* form. This form must be signed by your student's doctor before returning it to the school.

State law prohibits students from carrying either prescribed or over-the-counter medications at school. Any authorized medication will be securely stored in the front office and administered according to the instructions on the medication authorization form.

Possible exceptions to this rule include inhalers, epinephrine auto-injectors, and insulin. However, a medication authorization form is still required for students to use these medications on campus.

If you have any questions or concerns, please don't hesitate to reach out.

School Medication Authorization is attached below.

AUTORIZACIÓN DE MEDICAMENTOS ESCOLARES

Walden K-12 | Enero de 2026

Estimadas familias de Walden:

Si su estudiante necesita tomar algún medicamento recetado en la escuela, imprima y complete el formulario. *Autorización de medicamentos escolares* formulario. Este formulario debe ser firmado por el médico de su estudiante antes de devolverlo a la escuela.

La ley estatal prohíbe a los estudiantes llevar consigo medicamentos, ya sean recetados o de venta libre, a la escuela. Cualquier medicamento autorizado se guardará de forma segura en la oficina principal y se administrará según las instrucciones del formulario de autorización de medicamentos.

Las posibles excepciones a esta regla incluyen inhaladores, autoinyectores de epinefrina e insulina. Sin embargo, se sigue requiriendo un formulario de autorización de medicamentos para que los estudiantes los usen en el campus.

Si tiene alguna pregunta o inquietud, no dude en comunicarse con nosotros.

La autorización de medicamentos escolares es adjunto a continuación.

STUDENT INFORMATION

Student:	School:	Grade:
Parent:	Phone:	DOB:
Prescriber Name:	Phone:	Email:
School Nurse:	School Phone:	Fax:

Parent: complete the above section, read and sign below, obtain signature from Health Care Provider and return to school nurse.

As parent/guardian I request the medication(s) listed below be given to my student during regular school hours.

- I understand medication will be administered by trained school employee volunteers.
- I understand a new medication authorization form will be required each school year, and whenever there is a dosage change.
- I understand parent or guardian is responsible for maintaining necessary supplies, medications, and equipment.
- I understand prescription medication must be transported to and from school by an adult*.
- I understand all medication, both prescription and over-the-counter, must be in the current original pharmacy container and label, with the child's name, medication name, administration time, dosage, and health care provider's name.
- I understand over-the-counter medication must be in the original manufacture container.
- I understand the information contained in this order will be shared with school staff on a need-to-know basis.
- I understand it is my responsibility to notify the school nurse of any change in my student's health status, care or medication order.
- I understand that expired medication cannot be accepted or administered to my student.

I give permission for my child's healthcare provider to share information with the school nurse for the completion of this order.

Parent Signature: _____ Date: _____

MEDICATION INFORMATION

If a request is being made for school staff to administer asthma medication, epinephrine auto-injector, diabetes medication, or seizure rescue medication, an additional specific form(s) will be required, and must be signed by the parent and physician, and kept on file at the school. These supplemental forms will also be required for students who carry and self-administer asthma medication, epinephrine auto-injectors, and diabetes medications. Seizure rescue medication cannot be carried by a student.

Name of Medication	Diagnosis/ Reason for administration	Dosage	Route	Time	Side Effects	Expected Outcomes

Additional Instructions to the school:

Medication will be kept: In the office In the classroom Other:

Student Name:		Student DOB:
PRESCRIBER SIGNATURE		
This form must be signed by <u>prescriber</u> (i.e. ongoing caregiver) to be valid, and can only be signed by an MD/DO; Nurse Practitioner, Certified Physician's Assistant or a provider with prescriptive practice.		
The above-named student is under my care and I have prescribed this/these medication(s) for the named student. It is medically necessary for medication administration while student is under the control of the school.		
<input type="checkbox"/> It is medically appropriate for the student to self-carry* this medication, <u>when able and appropriate</u> , and be in possession of this medication and supplies at all times (see statement above under Medication Information). This student has been trained to self-administer the medication and is capable of doing this safely.		
<input type="checkbox"/> It is not medically appropriate to carry and self-administer this medication. Please have the appropriate/designated school personnel maintain this student's medication for use if needed.
