Staying Warm & Starting the Day on Time

As the weather continues to change, we'd like to remind families to please encourage students to bring coats or jackets to school. Even when temperatures warm up later in the day, mornings and recess can still be quite cold, and we want all students to stay comfortable while outside. We've also noticed an uptick in student tardies recently. Arriving on time helps students start their day calmly and ready to learn. Please remember that the front doors open at 7:30 a.m., and we encourage families to plan accordingly to ensure students arrive on time. Thank you for your continued support in helping our students have a safe, successful school day!

Donations for After School Program

After School Program Snack Donations Needed!

Our after school program currently serves approximately 40 students, and while we do provide snacks, we are running out more quickly than usual. We strive to offer a variety, but it can be challenging to have snacks that every student enjoys.

To help ensure all students have something they like, we encourage parents to send their students with personal or preferred snacks. If you would like to donate snacks for the after school program, please drop them off at the front office and clearly label them for the after school program.

Thank you for helping us keep our after school program fun and well-supplied for all students!
