Bonneville Academy at Charter Day on the Hill

This Thursday was Charter Day on the Hill, and our students had a fun and memorable experience! They had the opportunity to represent and show off Bonneville Academy by sharing what we do and giving out swag. Students also enjoyed performances, pizza, and a guided tour of the Capitol. It was a great day highlighting our school and our amazing students.

High School Registration Info for 8th Grade Students

STUDENT ENROLLMENT FOR CHARTER SCHOOL STUDENTS

Welcome to Tooele County School District Registration. Follow these steps to register your high school student:

1. **Complete Registration:** Visit the [Registration/Enrollment page](https://www.tooeleschools.org/about-us/registration-enrollment) of the Tooele County School District website (<https://www.tooeleschools.org/about-us/registration-enrollment>). Click on “New Student – Kindergarten – Twelfth Grade Registration,” then select “K-12th Grade Registration and Enrollment.”
2. **Receive Credentials:** After submitting the registration information, students will be assigned a unique TCSD Student ID and a Skyward/SIS login with a temporary password. This information will be given to each student when Stansbury High School counselors visit your school in February 2026. **Registered students will be able to build their 2026-2027 schedule on March 12th @3:30pm.**

Required Documents for Registration

Please upload the following documents online during registration:

- Birth Certificate
- Immunization Record
- Photo ID of parent or guardian
- Proof of Address, if current address is not on Photo ID (i.e., utility bill)
- Guardianship Form (if applicable)
- Legal Documents (if applicable)

Enrollment will not be complete, allowing students to build their schedule for the following year, until all required documents are submitted.

Special Considerations

- If your child has an IEP or a 504 plan, submitting a copy of the plan (i.e., IEP summary) will help ensure appropriate class placement. Contact your current school for a copy of these documents.

Out-of-Boundary Applications

Open Enrollment Period for the 2026-2027 school year: **November 15th to February 6th.**

- **Process:** Click on “Out of Boundary Request K-12” from the [Registration/Enrollment page](https://www.tooeleschools.org/about-us/registration-enrollment) of the Tooele County School District website (<https://www.tooeleschools.org/about-us/registration-enrollment>). Pay the \$5 non-refundable application processing fee and complete the Out-of-Boundary Request form during the open enrollment period. **(Be advised that applications will be evaluated for approval in compliance with Utah Code 53G-6-401 and TCSD Board Policy 5017. However, submission of an application regardless of when it is completed, does not guarantee approval.)** Families who submit requests within the open enrollment period will be notified of the decision no later than March 31st.

Important: Until an Out-of-Boundary request has been approved, the student’s enrollment defaults to the boundary school.

During the Skyward Arena Scheduling window, students will build a schedule for the school to which they are assigned. If the request gets approved at a later date, students/parents can schedule an appointment with their school counselor to build a schedule at the new school. Counselors are not contracted to work during the summer; they will return to school in August.

For questions, contact the Registrar’s office at 435-882-2479 or kbullough@tooeleschools.org.

Donations for After School Program

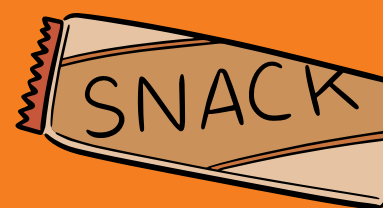

After School Program Snack Donations Needed!

Our after school program currently serves approximately 40 students, and while we do provide snacks, we are running out more quickly than usual. We strive to offer a variety, but it can be challenging to have snacks that every student enjoys.

To help ensure all students have something they like, we encourage parents to send their students with personal or preferred snacks. If you would like to donate snacks for the after school program, please drop them off at the front office and clearly label them for the after school program.

Thank you for helping us keep our after school program fun and well-supplied for all students!
