

HighMark Charter School

7th Grade Class Choices

2026 – 2027

Hello! Thank you for choosing HighMark! We are excited to have you enrolled for the 2026 – 2027 school year! We are excited to offer a lot of class choices for this year. Please read the instructions carefully as some things have changed from previous years.

Instructions

All class choices will be selected on the back side of this page. Students will have a total of 8 credits for the school year. Required courses have already been selected on the left-hand side, top of the page. Please choose elective classes **totaling 2.5 credits** on the bottom left-hand side of the page.

The classes you list on the lower, left hand electives table will be your first choices. List these in order of preference with 1 being your first preference, as indicated by the column labeled “order”. You do not need to fill out all the slots; you simply need to fill out 2.5 credits. For example, if Spanish 1A is my first choice, I will list it under number one and mark that it is a 1 credit class. I now have 1.5 credits remaining which I can fill with a combination of 1 and .5 credit classes. A 1 credit class indicates the class is scheduled for the full year (both the fall and spring semesters), while .5 credit classes only last a semester (may be scheduled in the fall or spring semester).

Next, select 3 classes as alternates and list them under the alternate choices heading, found on the right-hand side of the page on the bottom. These classes will be scheduled if your first choices are not available. If your student has an IEP, please fill out this registration form normally, and the Special Education team will help schedule your student in the appropriate courses.

This form must be filled out and signed by a parent/guardian and returned to your homeroom teacher by **Monday, APRIL 6th** (the Monday after Spring Break). The entire course catalog of class descriptions can be found on the Highmark Counseling Center Website, found under the “Resources” tab at highmarkhawks.com, and will also be emailed to all students and parents.

Some classes require an audition or separate application, which may happen after class choice takes place. If your student is interested in one of these classes, simply request it and make sure to do the audition/application when it happens. If the student is not accepted into the class, an alternate class will be used.

Honors Classes

Honors credit will be associated with the general curriculum for any core class. A separate “honors” class does not need to be registered for. More information will be provided at the beginning of the school year.

HighMark Charter School 7th Grade Class Choices 2026-2027

Code	Required Courses: Class Name	Credits
7010	Language Arts 7	1
