Family STEM Night Success & Upcoming Reminders

We would like to thank all the parents who attended our Family STEM Night—it was a great success! We truly appreciate everyone who participated, as well as those who took the time to complete reviews or make a donation. Any support we receive makes a big difference, and we are so grateful for our amazing school community. As a reminder, next week is Spring Break, and there will be no school. Additionally, today, 3/27/26, is our online Panda Express fundraiser. We encourage families to place an online order through Panda Express, as a percentage of your purchase will be donated to our school.

Please note that there will be no newsletter next week due to Spring Break.

Family STEM Night

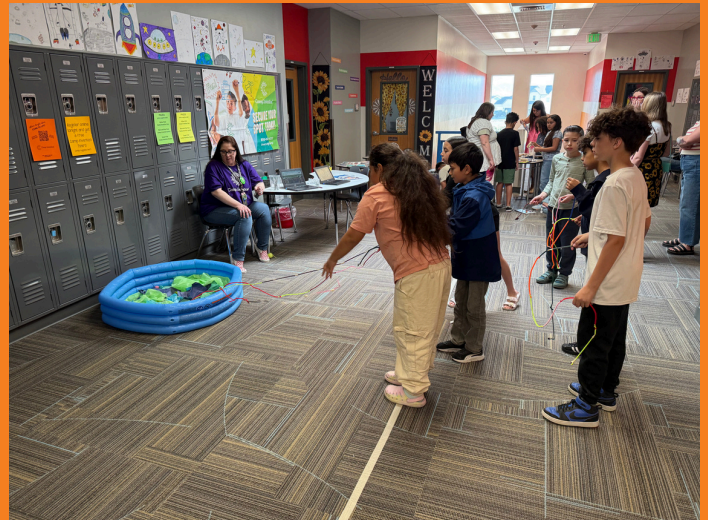

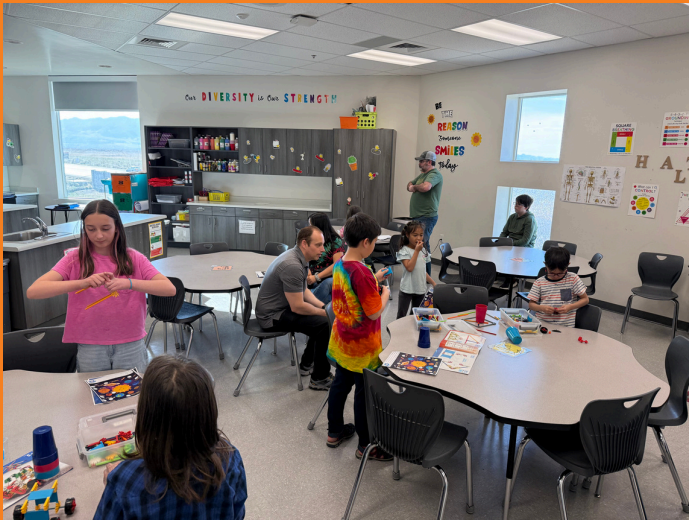

We want to give a huge thank you to everyone in our community who attended our Family STEM Night! We are so grateful for everyone's support and help with continuing this wonderful Bonneville tradition.

A special shoutout to our amazing staff and students who helped run the event. You made the night a success! We would also like to thank our Bonneville families for showing up and supporting us. None of this would be possible without the support of our incredible Bonneville family.

We hope you all enjoyed the event just as much as we did!

Family STEM Night

March 27, 2026

Dear Bonneville Academy Families,

We are writing to inform you that Bonneville Academy students will soon be participating in the Utah RISE **End-of-Year Summative Assessments**. These assessments are an important tool for measuring students' understanding and overall progress throughout the school year.

End-of-Year RISE testing will begin on April 14, 2026, and continue through May 8, 2026. Students in grades 3 and up will take computer-adaptive assessments in language arts and math. Students in grades 4 and up will also participate in science testing. In addition, students in 5th and 8th grade will complete a writing assessment. Your child's teacher will communicate the specific dates their class will be testing. These assessments reflect the learning that has taken place throughout the year and help guide future instruction and support.

To help your child perform their best, we recommend the following:

- **Rest:** Ensure your child gets a good night's sleep before each testing day.
- **Breakfast:** A healthy breakfast will help with focus and energy.
- **Attendance:** Please make every effort for your child to attend school and arrive on time during testing days.

We appreciate your support in helping your child feel prepared and confident. If you have any questions, please feel free to contact the school office.

Thank you for your continued partnership in your child's success!

Sincerely,

Bonneville Academy Administration
