

Bonneville Academy Weekly Newsletter

May 15, 2026

End of Year Reminders

This week was a busy and exciting one here at Bonneville Academy! We had 5 field trips, Kindergarten Field Day, and Kindergarten Graduation.

We hope you enjoy some of the pictures from these special events. To our kindergarten students, we hope you enjoyed your first year at Bonneville Academy. We are so proud of you and look forward to seeing you again next year!

Reminder: Next week is the last week of school. Monday will be Field Day, and Tuesday we will have 8th Grade Graduation at 9:00 AM. Wednesday the 20th will be the final day, and it will be a short day. Students will be released at 12:45 PM.

JOIN OUR BOARD!

We are seeking individuals from diverse professional backgrounds to lend their talents and contribute to the growth of our school. This is a unique opportunity to make a meaningful impact!

Who Can Get Involved?

Any community member with a passion for education and development.

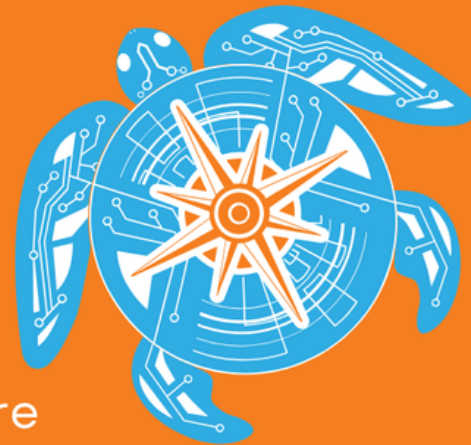

Why Participate?

- Help shape school initiatives
- Use your expertise to make a difference
- Support students, staff, and families

For More Information:

There is no deadline to get involved! If you're interested or have questions, please contact the board at board@bonnevilleacademy.org.

Join us in creating a brighter future for our school!

1st Grade Field Trip

Our 1st grade students had a wonderful time on their field trip to the Natural History Museum of Utah. They loved exploring the exhibits, discovering fossils, and learning about Utah's history in a fun and hands-on way!

7th Grade Field Trip

Our 7th grade students had an amazing time on their field trip to Thanksgiving Point, where they explored Curiosity Farms and the Museum of Ancient Life. They enjoyed hands-on activities, learning about agriculture, and discovering fascinating dinosaurs and ancient life!

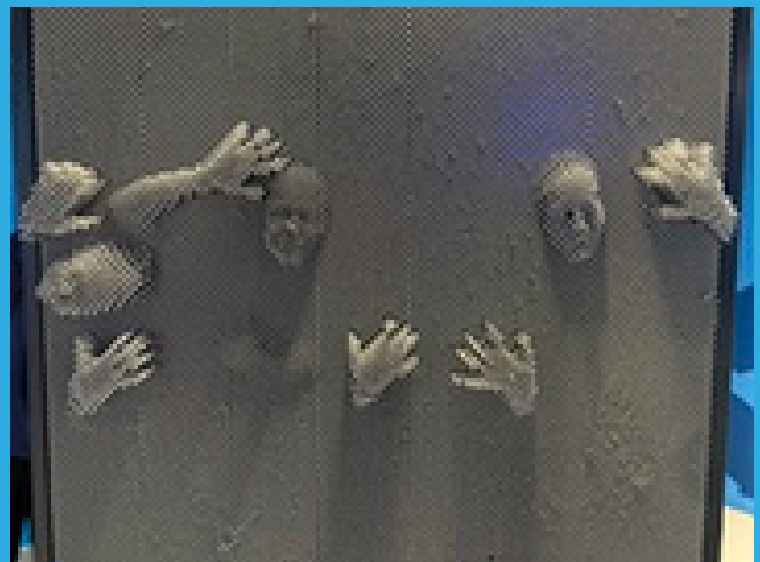

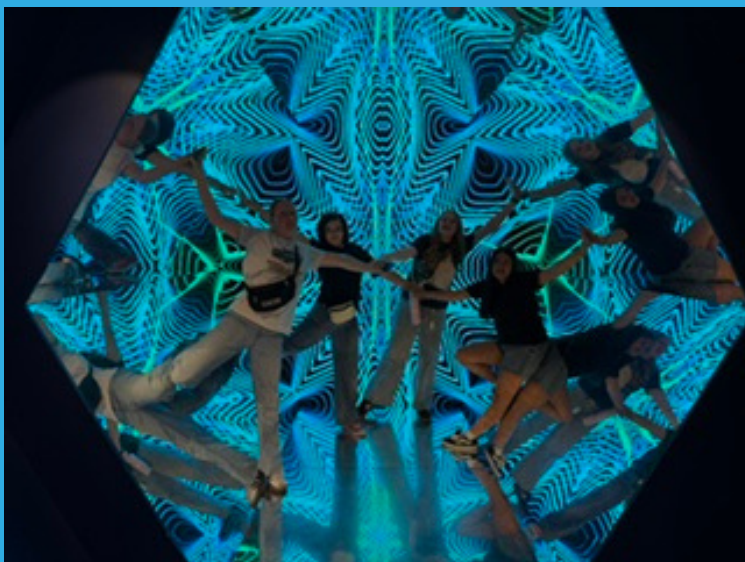

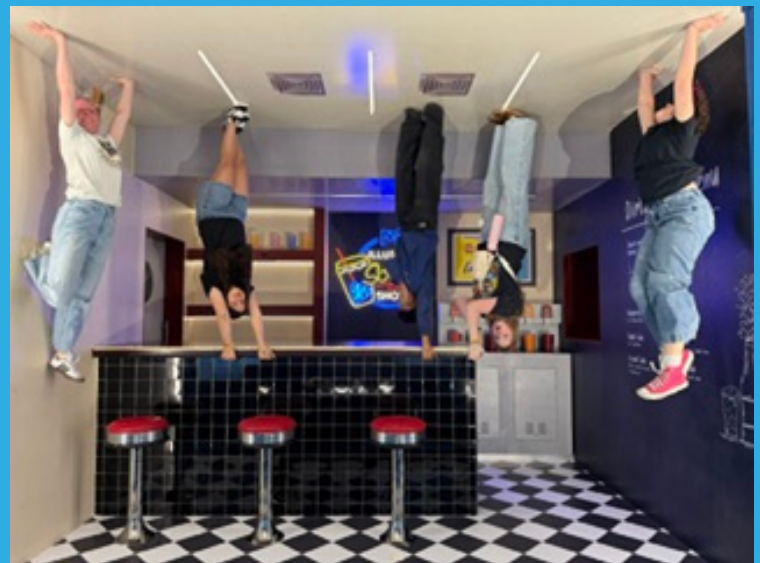

6th Grade Field Trip

Our 6th grade students had an exciting field trip to the Hill Aerospace Museum. They enjoyed exploring historic aircraft, learning about aviation and military history, and experiencing hands-on exhibits that brought science and engineering to life!

8th Grade Field Trip

Our 8th grade students had a great time on their field trip to the Clark Planetarium and the Museum of Illusions. They enjoyed exploring space exhibits, engaging with interactive displays, and experiencing mind-bending illusions in a fun and memorable way!

Kindergarten Field Day

Our kindergarten students had a fun-filled Field Day packed with exciting chalk activities, water games, and a special treat of Otter Pops. They also loved getting an up-close tour of a real fire truck, making it a memorable day for everyone!

Kindergarten Graduation

Our kindergarten students had a joyful time celebrating their graduation! They were excited to show all they've learned this year and enjoyed a special day filled with smiles, proud moments, and lots of cheering from their families.

Stansbury Days Parade

Saturday, Aug. 15th

Scan this QR code to sign up!

Bonneville Academy may be walking in the Stansbury Days parade on August 15th!

We are looking for 15-20 students in grades 5-8 that would like to walk with us! Volunteers will be provided with a T-shirt, and a fun opportunity for memories and school spirit!

More information will be announced this summer.

1st - 8th grade

**Make sure to bring
sunscreen, a towel,
bug spray, water etc.**

IMPACT OF SCREEN TIME ON YOUNG CHILDREN

Why the American Academy of Pediatrics is sounding the alarm.

STUDIES SHOW

Excessive screen time is associated with **developmental delays** in speech, motor skills, behavioral issues, sleep disruption, sedentary activity and problem-solving abilities.

DECREASE DAILY SCREEN TIME

Face-to-Face interactions are critical for children

RECOMMENDATIONS

- Avoid using screens as pacifiers, babysitters, or to stop tantrums.
- Turn off all screens during family meals and outings.
- Avoid using screens while feeding your child.
- Turn off screens and remove from bedrooms an hour before bedtime.
- Learn about parental controls and limit your own screen use around children to model healthy screen habits.
- Face-to-face interactions build language, improve recognition of emotions, and help an infant or child learn important social skills. Visit vroom.org or download the free app to help with activities for parents and children.

RECOMMENDED DAILY SCREEN TIME UNDER SIX YEARS OLD

0-18 Months

ZERO SCREEN TIME

ONLY video chatting with family or friends

18 mo – 2 Years

LIMIT SCREEN TIME

No solo use and only educational materials

2-5 Years

ONE HOUR PER DAY

Only co-viewing with a parent or sibling

6+ Years

TWO HOURS MAX

Place consistent limits on time and media type
