The Plan's goals may align with the goals shown on the School Land Trust Plan. Schools must include at least one goal in the plan. Schools must solicit input on developing the plan from administrators, school level educators, parents, and the School Land Trust council and may solicit input from students, support professionals, or other community stakeholders. The Plan must be submitted to the school's Board for approval. The Board will annually review the Plan submitted and use its best efforts to complete the approval process by June 30 each year. The School Land Trust council will select a component of the approved plan to address within the School Land Trust Plan.
