

Student Surveys Opt-in Information

Fall 2026

Dear Families,

We thank you and your family for being our valued partners as we work together to educate the children in our district. Our district values input from our community – and we need to hear from your child(ren). Over the next several weeks, students at our school will participate in surveys that ask about their experiences in school.

Students will be asked to complete an online questionnaire that encourages them to reflect on their own mindsets, approaches to learning, and experiences in school.

It is our goal to help students learn more about themselves and how they learn best by completing this process. The information that is collected in the questionnaires will be shared with their teachers and school leaders to help improve the school experience.

If you consent for your child to participate, please mark “Agree” below and sign electronically.

If you have questions about this process or if you’d like to learn more about how these activities help meet our school goals, please email info@channinghall.org. Thank you for your ongoing support of your students and of our school.
