66 Director's Message-

As summer continues, we hope your days are filled with sunshine, adventure, family time, and opportunities to make wonderful memories together. While we hope you're enjoying a well-deserved break, our administrative team has been hard at work preparing for the upcoming school year.

When you return in August, you'll notice a few exciting changes around campus! The halls have been painted, new bulletin boards are being installed, many areas have received new carpet, we're preparing the grounds for our new marquee, and we're checking off countless other projects to ensure everything is ready for another incredible year at Odyssey.

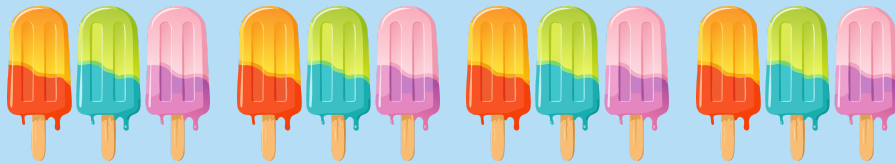

Along with all of your outdoor adventures, I hope you're also finding adventures within the pages of a good book. I've finished three novels so far this summer and have five more waiting on my nightstand that I'm hoping to read before the summer comes to an end.

Stay safe, have fun, and enjoy every moment of summer. We can't wait to welcome our Voyagers back in August for another exciting year of learning, growth, and adventure!
