## Comprehensive Fee Schedule • School Year 2026–2027

**Maximum Annual Fee Cap:** The maximum annual amount of fees that a student may be charged is \$1,000. The actual amount charged per student may be less.

### GENERAL FEE INFORMATION

1. **Fee Waiver Requirements:** Any payment for student participation in a class, program, or activity is considered a fee and is subject to the Utah State Board of Education fee waiver requirements. For detailed information on fee waivers, please contact the School Director.
2. **Property Damage & Loss:** All students are responsible to pay for any loss, breakage, or damage they cause to school property. Charges related to loss, breakage, or damage are independent restitution costs and are **not** subject to fee waiver requirements.
3. **Fundraising:** Students may participate in group fundraising activities. Explicit notifications detailing fundraising efforts will be provided to parents and students in advance. No student will be denied membership or participation in a group or activity for lack of participation in fundraising.
4. **Voluntary Donations:** School-sponsored donation requests are entirely permissible but strictly voluntary. A student may not be excluded from any activity, class, or program because they or their family chose not to make a donation.
