4 ways to earn with Box Tops

1

Scan a paper receipt

How it works

- Box Tops app reviews receipt using **Optical Character Recognition (OCR) technology**.
- Receipt is also reviewed manually for accuracy.
- May take longer during busy times or for high-value receipts.

Earnings appear in the app
2 hours to 3 business days

2

Walmart connected account

How it works

- Link your Walmart and Box Tops accounts.
 - Eligible Walmart purchases will **automatically earn Box Tops—no scanning required**.
 - Must use the payment method saved in your Walmart account.
- Earnings appear in the app**

Within 48 hours

- Processing time depends on how fast Walmart can send Box Tops your purchase info.

- Upload screenshot of entire receipt.
- Customer Service manually reviews and validates.

Earnings appear in the app
5 to 8 business days

- Customer Service will respond within 3 business days. Then, your earnings will appear in the Box Tops app within 5 days of their last communication.

See full list of retailers in the app.

4

Submit a digital receipt (forward email)

How it works

Missed earnings?

Occasionally, if retailers change their receipt formats, our automated system (OCR) may miss eligible items. We're happy to review and make adjustments as needed. After you reach out, Customer Service will respond within 2 hours to 3 business days; earnings adjustments will appear in the app within 5 days of your last communication.

Scan a paper receipt

To report missing items:

- Go to "My Earnings" in the app.
- Select the transaction.
- Tap "Report Missing Earnings" within 14 days of the receipt scan date to request a manual review from Customer Service.

To report a "No earnings found" error:

- Go to "Contact Us" in the app.
- Select "Technical Support – Trouble Scanning My Receipt" for assistance

Walmart connected account

To report missing items:

- Go to "My Earnings" in the app.
- Select the transaction.
- Tap "Report Missing Earnings" within 14 days of the receipt scan date to request a manual review from Customer Service.

If your Walmart transaction is missing or has not appeared after 48 hours:

- This could be due to a technical issue or no eligible items.
- Go to "Contact Us" in the app.
- Select "Connected Accounts" for assistance.

Submit a digital receipt (upload image)

To report missing items:

- Because these receipts are reviewed manually, the "Report Missing Earnings" option in the app won't work. If your final earnings are incorrect or have not appeared within 5 business days of your last contact with Customer Service, please do one of the following:
- Reply directly to the support email you received.

OR

- Create a new Customer Service request by going to "Contact Us" in the app and select "Technical Support – Trouble Scanning My Receipt."

Submit a digital receipt (forward email)

To report a "No earnings found" error:

- Do not reply to the "No earnings" email.
- Go to "Contact Us" in the app.
- Select "Technical Support – Trouble Scanning My Receipt" for assistance.

Parking Lot Safety

We would like to remind everyone of a few important carpool safety procedures. Over the past couple of weeks, we have noticed an increase in unsafe carpool practices.

Please remember to:

- Drive 10 MPH or less in the parking lot, especially during active carpool times.
- Pull forward as far as possible to keep the carpool line moving.
- Please do not stop in the carpool lane to discuss student questions or concerns. If you need to speak with a staff member, park in a designated parking stall and come inside.
- Stay alert and be aware of your surroundings, especially for students and pedestrians.

Thank you for helping us keep our students, families, and staff safe and for keeping carpool running smoothly!
