Two Locations: Don't Miss the Farm! As a reminder we will be hosting this year's festival on campus and at the school farm up the road behind the Lions Club Rec center. Be sure to visit both locations as we are offering Hay rides, a corn maze and UPick produce at the farm! When walking between locations use the traffic light and cross walk on Kings Row Dr. This will ensure the safest way to access the farm. Please do your best to follow the path.

Pets: As a reminder, we do not allow animals as guests at the Harvest Festival. Thank you for understanding.

Gaga Ball Tournament: We have entries available for 32 teams of two people each to play in our Gaga Ball tournament from about 11:30 am-1:30 pm. Teams are encouraged to have one adult and one student. Both teammates must be in Grade 5 and above. Venmo $10 for team registration fee and note "Gaga Tourney" with both teammates' first and last names in the Venmo notes.

Want to make a yarn jump rope? Pre-sold appointments are $20 each. Venmo $20 (@wasatchfamilyfoundation) and note "jump rope" and your email address so you'll be sent a link to select your specific 20-minute appointment time for Saturday, October 10. Drop-ins welcome too but may have to wait.

Bake Sale Donations: Bring your baked goods to the gym anytime Friday, October 9 between 8:45 am-12 pm or you can do a drive-by drop off between 12-12:30 pm during school pick up. At the exterior gym door an attendant will come to your window and take your baked items so you don't have to get out of your car.

Bake Sale & Fresh made Soup: Purchase treats from the bake sale and grab a bowl of soup to eat for lunch. We will be serving fresh tomato basil soup with french baguette, and 3 sisters soup with tortilla chips. Come get a taste of the yummy lunches we serve at the school while also supporting our lunch program!
