Fall Break Reminder and Thank You!

Hello Bonneville Academy parents and guardians,

We hope you are enjoying your fall break! We would like to remind everyone that school will resume this upcoming Monday, October 19.

We also want to take a moment to thank all our parents and guardians for communicating with our teachers and supporting your students throughout this first term. Your communication and involvement help make Bonneville Academy a wonderful place for our students to learn and grow.

Thank you for helping us make this first term a great one! We hope you enjoy the rest of your fall break, and we look forward to welcoming everyone back on Monday!

Academic After-School Program Returning!

Bonneville Academy's Academic After-School Program is returning! The program will begin on Tuesday, October 6. There are a few changes to the program this year:

- Days: **Tuesdays and Wednesdays**
- Time: **3:00–4:00 PM**
- Start Date: **Tuesday, October 6**

Snack Donations Needed

We are also requesting snack donations for students participating in the program. If you are able to donate snacks, please bring them to the front office. We greatly appreciate your support!

Permission Forms

Sign-up forms are available in the front office. You can also access the form online using the link below:

Sign-up Form Link

Important Reminder: Students must have a signed permission form on file by Monday, October 5 in order to attend the first week of the program. Students without a signed permission form will not be able to attend until the form has been completed and returned.

Thank you for your support of our Academic After-School Program!

Queridos Padres o Guardianes de familia,

La escuela de su estudiante pronto comenzará hacer las pruebas rápidas mandatorias por el código the Utah School Vision Screening Policy. Friends For Sights es una organización local sin fines de lucro que se especializa en realizar pruebas rápidas de visión, los empleados y voluntarios estarán asistiendo mano a mano con todo el proceso.

Para nosotros poder obtener los mejores resultados en las pruebas visuales es necesario que si su estudiante usa anteojos o contactos recetados los traigan puestos el día de la prueba rápida. Esto es crucial ya que cuando nosotros hacemos la prueba rápida es para descartar con seguridad a los estudiantes que realmente necesitan ayuda para poder ver, lo cual es una herramienta muy importante en la educación de su estudiante.

Si en dado caso su estudiante no puede ver la distancia apropiada para su edad, una carta de referencia será mandada a casa con su estudiante. Esta carta recomienda con urgencia que su Hijo/Hija necesita una Examen Completo de la Vista con un Oculista lo más antes posible. Favor de tener en cuenta que esta prueba rápida no sustituye ni es un Examen Completo hecho por un Oculista profesional.

La prueba rápida administrada por Voluntarios y Empleados es solo diseñada para descartar y encontrar a los estudiantes que tienen problemas para ver y necesitan ser referidos con un Oculista. Ya que a ningún niño se le debe negar el acceso a un buen cuidado visual basado en su estado financiero. Friends for Sight tiene varias asociaciones que se dedican a proveer Exámenes Visuales y Anteojos completamente gratis para aquellos que califiquen para asistencia financiera.

Si usted tiene cualquier duda o pregunta acerca de las pruebas visuales, a que edad se recomienda hacer un Examen visual completo o necesita alguna información adicional, Favor de contactarnos al (801) 524-2020 o visítenos en nuestra pagina web www.friendsforsight.org .

¡Esperamos verlos pronto!

Sinceramente,

Friends for Sight

Friends for Sight

Dear Parent/Guardian,

Your student's school will soon be conducting vision screenings in accordance with the Utah School Vision Screening Policy. Friends for Sight is a local nonprofit organization that specializes in vision screening, and FFS staff and volunteers will be on hand to assist with the process.

For the most accurate results, if your student wears prescription glasses or contacts, please have them wear them on the day of the screening. Screenings are intended to find out if the student has the tools they need to see clearly at school, so it's ideal to test the student's best possible corrected vision.

If your child cannot see at the appropriate distance for their age, a referral form will be sent home with your child. This sheet will recommend that a full eye exam for your child should be a priority. Please remember that a vision screening is not a substitute for a complete eye exam and vision evaluation by an eye doctor.

Since no child should be denied proper eye care because of finances, Friends for Sight has several partnerships that provide free eye exams and glasses for those who qualify for financial assistance.

If you have any questions regarding vision screening, ages when full exams are recommended or would like any additional information, please call us at (801) 524-2020 or visit our website www.friendsforsight.org .

We are looking forward to screening your child at school!

Sincerely,

Friends for Sight Staff and Volunteers

Education Exchange: Where Families and Schools Meet

Volume 3| Summer/Fall 2026

Why Family Engagement Matters

Research shows that when families are involved in education, students are more likely to:

- Come to school regularly
- Build strong social skills
- Earn better grades
- Graduate from high school
  Continue on to college or other training

Understanding Parent Rights in Public Education

Utah's Constitution and laws recognize that parents play the most important role in their child's education.

The Utah State Board of Education (USBE) values the trust families place in public schools and is committed to supporting parents every step of the way.

Parent Portal

Utah's Constitution and laws respect parents' primary role in the education of their children. The Utah State Board of Education deeply appreciates the trust that parents have placed in Utah's public education system, and is committed to supporting them in this critical mission. We have numerous resources on our website pages for parents and families. You can find them on the Parent Portal https://www.schools.utah.gov/parent/

Support & Resources for Utah Families

Community Resources

Utah families can access a wide range of community-based programs to support health, child care, learning, and advocacy. Here are a few programs and organizations support families across Utah:

United Way 211
Local services and support for health, housing, food, and more:211utah.org

Utah PTA
Parent-led advocacy and family involvement: utahpta.org

Utah Afterschool Network

Learning & Curriculum Resources

There are many tools available to help families understand what students are learning, how to support them at home, and what is required to graduate. These resources can guide parents through each stage of a student's education:

- **Utah Core Standards**: Learning expectations by subject and grade https://www.schools.utah.gov/curr/utahcorestandards
- **Graduation Requirements**: Required courses for elementary, middle, and high school. https://www.schools.utah.gov/curr/graduationrequirements
- **Additional Learning Resources available through our Parent Portal**: https://www.schools.utah.gov/parent/learningresourcesfamilies

Utah is committed to supporting military-connected students and their families by reducing the educational challenges that can accompany military service. To help ensure smooth school transitions, Utah adopted the Interstate Compact on Educational Opportunity for Military Children (MIC3), which removes barriers to educational success caused by frequent relocations and parental deployments for Active Duty, National Guard, and Reserve families. For more information and to have your school apply, visit **Purple Star Schools.** https://www.schools.utah.gov/parentfamilyengagementeducators/purplestarschools

Supporting Students with Disabilities

Education for students with disabilities is protected under the Individuals with Disabilities Education Act (IDEA), Title II of the Americans with Disabilities Act (ADA), and Section 504 of the Rehabilitation Act. Below are some helpful resources to help families navigate the ststem.

- **U.S. Department of Education**: Dedicated to improving results for families and children with disabilities. https://www.ed.gov/about/ed-offices/osers/osep
- **Parent and Family Resources**: Provides numerous parent and family resources about regulations, support, and training. https://sites.ed.gov/idea/parents-families/
- **Utah Parent Center**: A nonprofit offering support, training, and advocacy for families of children with disabilities. https://utahparentcenter.org/
- **Individuals with Disabilities Education Act (IDEA)**: This law makes a free appropriate public education to eleigible children with disabilities and ensures services to those children. https://www.ed.gov/laws-and-policy/individuals-disabilities/individuals-disabilities-education-act-idea

School Safety and Student Services

School Safety and Student Services is made up of the following departments:

Student Services- Offering Behavior Support, School-based Mental Health, School Counseling, School Nursing, and Wellness and Student and Family Rights

School Safety Center- Oversees Emergency Operation Plans, School Climate, Threat Crisis Response, School Safety and Security

Prevention- Assists with Bullying Prevention, Child Sexual Abuse Prevention, Gang Prevention, Restorative Practices, Substance Use Prevention, and Suicide Prevention

For more information and resource regarding school safety, you can find them on our School Safety and Student Services website.

Attendance Matters

Research suggests that students who attend at a rate of 95% or better are significantly less likely to have failing grades or problematic behavior. Utah is currently focusing on positive attendance promotion initiatives that positive impact all students and families, including:

- Statewide messaging on the importance of attendance
- Common language and definitions around attendance
- Consistent and accurate data collection
- Intentional statewide data analysis

During the 2026 Utah legislative session there were numerous updates regarding attendance these include HB 145, HB 502, and SB 58. In addition, there are two important codes that also pertain to attendance which are 53G-6 Part 2: Compulsory Education and 53G-8-211: Responses to School-based Behavior. For more information on laws and policies, statistics, and the current attendance campaign, visit our Absenteeism and Truancy Prevention page.

Parking Lot Safety

We would like to remind everyone of a few important carpool safety procedures. Over the past couple of weeks, we have noticed an increase in unsafe carpool practices.

Please remember to:

- Drive 10 MPH or less in the parking lot, especially during active carpool times.
- Pull forward as far as possible to keep the carpool line moving.
- Please do not stop in the carpool lane to discuss student questions or concerns. If you need to speak with a staff member, park in a designated parking stall and come inside.
- Stay alert and be aware of your surroundings, especially for students and pedestrians.

Thank you for helping us keep our students, families, and staff safe and for keeping carpool running smoothly!

JOIN OUR BOARD!

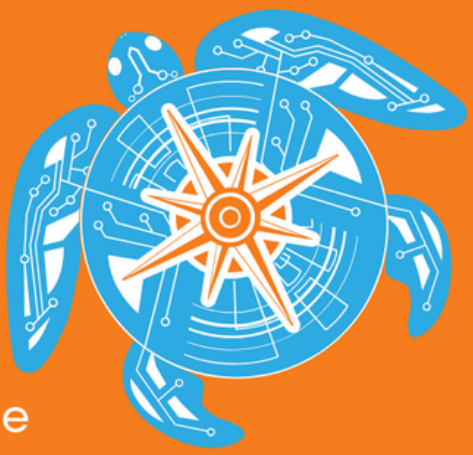

We are seeking individuals from diverse professional backgrounds to lend their talents and contribute to the growth of our school. This is a unique opportunity to make a meaningful impact!
